

CPSC 1301, Computer Science I Quiz

Quiz 3b (Recursion)

This is a timed test. You have thirty minutes to complete the test. Submit *both* the program code *and* the output via the text entry box in CouvarView. Optionally, your deliverable will be a plain text file, that is, an ASCII file with a `.txt` file extension. When you finish the test, upload your deliverable to CougarView. Do not publish your answer to your `git` repository.

Instructions: Write a Python script that uses recursion to count down from 10 to 0. When the counter reaches 0, it should print **Blast Off!!!** Here is the expected output.

```
10
9
8
7
6
5
4
3
2
1
Blast Off!!!
```
